

Demons Vacation

Careena, an administrative demon from Hel, is looking forward to her time Earthside nothing more than good hamburgers, friends, and brownies. But at the dawn of her first day Earthside all is turned upside down her former lovers zealous follower is there with talk of unitards and consorts and a paranormal investigator shows up to revoke her claim as to owning a truly haunted mansion. Could her vacation get any worse? Isabel loves being a paranormal investigator and when she is called to disprove a haunting, she willingly takes the job to help weed out the ones that are only into creating hauntings for personal gain. When she meets Careena for the first time, her world is changed in ways she could not imagine. Will she be able to right herself before it is too late?
