

Blood Of My Bone (First Born of Egypt)

In this fifth volume of Simon Raven's First Born of Egypt series, the death of the Provost of Lancaster College is a catalyst for a series of disgraceful doings in the continuing saga of the Canteloupes and their circle. Marius, under-age father of the new lady Canteloupes dutifully produced heir to the family estate, is warned against the malign influence of Raisley Conyngham. Classics teacher at Lancaster, Conyngham is well aware of the sway he has over Marius, who has already revealed himself a keen student of the refinements of hell. With fate intervening, the stage is set for another deliciously wicked instalment.
