

## The Code - Evolution - Book III

THE CODE-REVELATION-BOOK IV is set for release on 12/12/12! As the battle to save humanity culminates with Agent Natan imprisoned for terrorist acts against the United States in a tiny cell at Guantanamo Bay, Baxter fights on, continuing the final phases of war, wanting nothing less than Agent Natans complete undoing. Section Chief Marsh must work his channels in Congress to help clear her name as he struggles ahead, side-stepping mines of red tape and cloaked enemies at every turn. Agent Natans freedom and salvation hang in the balance as Agent Knights true colors are brought to light. In the struggle for his own conscience, will Agent Knight be able to untangle himself from the web of evil that has enmeshed him? Meanwhile, Josh and Amanda must decide if they can trust Dr. Berk enough to let him into their encrypted Bible Code world. As the uncovering of the riddles of symbol three thrusts the door open to unimaginable discoveries, with Amanda by his side, Professor Sails is the only one who can piece the final mysteries together, illuminating the unfolding truths awaiting the entire world. While Agent Natan fights her own demons to maintain her sanity and win the battle for her soul, truths emerge about Baxters links to Palko, the leader of the Satanic Cult who is conspiring to both allow and assist the world to end on December 21, 2012. With evil at hand and the final wall of obfuscation permeating the uncertainty and developing chaos, can light and the reality of truth emerge victorious in these complex and dangerous times?
