

As Bad As Can Be (Under the Covers)

Having Bad Reputation is Mallory Carsons dream come true. The bar represents something of her very own. And thanks to her, its the trendiest spot in town. At first, she and the other female bartenders dancing atop the bar counter was a one-off, a joke, but when it causes carloads of patrons to show up, Mallory sees the potential in terms of large dollar signs. She thinks all lights are flashing green and all signs read Go. Little does she know about the guy whos got his eye on her. Shay OConnor has his own quiet Irish pub nearby, unlike Mallorys roaring place. Hes meant to be looking out for Mallory and her new business adventure on the Q.T. But after seeing her hot body and cool attitude in motion, he wants to keep a lot more than just his eye on her. Problem number one is that shes his good buddys sister. Family means a lot to Shayhes the third generation to run OConnors. Little does he know, however, that Mallory already plans to bed him!
