

Paris: Volume I (French Edition)

Auteur: Emile Zola est un écrivain et journaliste français, né à Paris le 2 avril 1840 et mort dans la même ville le 29 septembre 1902. Considéré comme le chef de file du naturalisme, c'est l'un des romanciers français les plus populaires, les plus publiés, traduits et commentés au cinéma mondial. Ses romans ont connu de très nombreuses adaptations au théâtre et à la télévision. Extrait: Ce matin-là, vers la fin de janvier, l'abbé Pierre Froment, qui avait une messe à dire au Sacre-Coeur de Montmartre, se retrouvait des huit heures sur la Butte devant la basilique. Et, avant d'entrer, un instant il regarda Paris, dont la mer immense se déroulait à ses pieds. C'était, après deux mois de froid terrible, de neige et de glace, un Paris noyé sous un dégel morne et frissonnant. Du vaste ciel, couleur de plomb, tombait le deuil d'une brume épaisse. Tout le reste de la ville, les quartiers de misère et de travail, semblaient submergés dans des fumées roussâtres, où l'on devinait le souffle des chantiers et des usines; tandis que, vers l'ouest, vers les quartiers de richesse et de jouissance, la débâcle du brouillard seclairait, n'était plus qu'un voile fin, immobile de vapeur.
