

## Anima Studium (French Edition)

Dans cette piece, l'auteur discute avec son double féminin appelé A Elle A. Presque tous les sujets concernant le monde apparaissent dans les différentes scènes, comme l'éducation, la pauvreté, la discrimination ou les voyages. Des sujets plus frappants sont proposés, comme la manipulation médiatique, la religion, la vie ou la mort, le bien et le mal. Un discours philosophique entre deux personnes qui se correspondent et qui ne sont finalement que l'auteur lui-même, qui cherche à faire comprendre aux gens son point de vue très...étrange, à la limite du comique et du tragique.
