

The Enchanted Wanderer: and Other Stories (Vintage Classics)

Written over the course of Leskov's career, each story in *The Enchanted Wanderer* elucidates the very essence of the human condition; themes of love, despair, loneliness, and revenge are explored against the backdrop of nineteenth-century working-class Russia. Leskov deftly layers social satire and subtle criticism atop myth and fable, resulting in a richly entertaining collection. **BONUS MATERIAL:** This edition includes an excerpt from Jonathan Lethem's *Dissident Gardens*.
