

## Palomino Days: A Rod Gantry Time Walker Novel

Is Rod Gantry one of the special ones a Time-Walker? Son of an Irish-American and a Native-American, Rod Gantry is a modern horseman skilled in tracking and firearms. The death of his beloved Sara has him contemplating ending his loneliness. When a rogue, five-toed cougar returns, Rod finds a purpose and sets out to track the mountain lion. He follows the big cat into a cave, only to emerge in the 19th century. Runs-Too-Swift, a character from his past, awaits him then sends Rod on a mission to correct a mistake in history. Can Rod adapt and survive in the Old West? What will happen if he corrects the mistake or what if he fails?
