

The Sea Runners

In this timeless survival story, four indentured servants escape their Russian Alaska work camp in a stolen canoe, only to face a harrowing journey down the Pacific Northwest coast. Battling unrelenting high seas and fierce weather from New Archangel, Alaska, to Astoria, Oregon, the men struggle to avoid hostile Tlingit Indians, to fend off starvation and exhaustion, and to endure their own doubt and distrust. Based on an actual incident in 1853, *The Sea Runners* is a spare and awe-inspiring tale of the human quest for freedom.
