

To Err is Human

Humans make mistakes...but Malini is a magnet for error. Since moving to Mumbai, her life has turned into a roller coaster - and not all exciting. Along her path of trial and error, young Malini will meet tragedy, chaos, adventure and possibly the man of her dreams. She learns one cant always judge a book by its cover. At first, Manoj is annoying with his constant chatter and unkempt style, but soon he proves theres more to him than meets the eye. Working at her dream job, Malini realizes that her co-workers are not her friends. Its a dog eat dog world and everyone wants to climb the ladder of success - even if they step on co-workers like rungs on this ladder. Malini takes readers on a whirlwind of adventure - including being kidnapped by bad guys, clumsy mishaps, surviving extravagant parties - and her witty charm will keep the pages turning. This hip story is about a young woman finding her true self. Will she be pleased with what she finds at the end?
